

PHYTOLYQUE PHYTOLYQUE moist

Moisturizing serum that gives health to hair and skin

This ground breaking formula moisturizes the entire hair follicle,
creating the softness and giving the protection you need.

COLLECTION LINE by TAMARIS

One step, two effects

PHYTOLYQUE is a double-layered treatment. This ground breaking formula contains a water soluble beauty serum with an oil hair treatment. The oil treatment protects hair from evaporation and shields the beauty essence inside the hair. The beauty essence stays longer and gives your hair silky smoothness.
