

# Sortir

Sortir products can make your hair care routine easy and manageable in the morning. Even on a busy day, you can step out the door with a salon-quality finish that can last all day.

## Fragrance: Note of "Mist" line

"Fresh floral" scent to make you feel graceful when going out

## Specialty Ingredients

Heat Reaction Type Meadowfoam oil: Natural plant-based oil extracted from meadowfoam seeds. When activated by heat, it forms a protective film around the cuticles to protect and restore your hair. \*Curl Mist, Quick Dry Mist, Essence Mist

Osmotic Response Type Rapeseed oil: Natural plant-based oil extracted from rape flower seeds. Quickly absorbs into the hair promoted by the heat and repairs hair follicles. \*Curl Mist, Quick Dry Mist
