From Kyoto, Skincare in Bloom

Maintain your skin's vitality
through the natural wonders of Kyoto.

FUMIKA
KYOTO

FUMIKA LINE UP

Made from 100% natural ingredients.
No silicone or synthetic coloring, perfumes, or mineral oils were used.

Moisturizing ingredients from Kyoto

Only the natural ingredients most effective
for your skin are carefully selected for our products.

sugashi || Refreshing Spray

A refreshing spray that leaves your skin smooth and beautifully firm.

How to use
After washing your face, dispense about 8 pumps onto a cotton pad or the palm of your hand and gently rub on your face.

NET. 5.07 floz

yaori || Milky Lotion

A refreshing and moisturizing lotion that leaves your skin silky smooth.

How to use
After applying lotion, dispense about 6 pumps onto a cotton pad or the palm of your hand and gently dab over your entire face.

NET. 4.05 floz

shitori || Moisturizing Toner

A moisturizing toner with a smooth finish that keeps your skin hydrated.

How to use
After washing your face, dispense about 8 pumps onto a cotton pad or the palm of your hand and gently rub on your face.

NET. 5.07 floz

fukari || Moisturizing Cream

A moisturizing cream that leaves the skin hydrated and supple.

How to use
As the final step of your skin regime, take a tiny amount onto a fingertip and place in five places: the jawline, cheeks, nose, and forehead. Gently dab the cream over your face.
